

# Guidelines for completing scorecards

## Home Team players

- All home team players who play the match must be listed on the scorecard. *All players should have been registered to play in this league by the Friday before the day they play or the team will be penalised.*
- The starting positions of the players in Q1 must be filled in before the start of the game.

## Guest players

- A maximum of 2 guest players are allowed per team in a game. The name of each guest player, the team they are affiliated to and the **position played each quarter** for the team they are helping out must be recorded on the scorecard. The same player can only guest for a given team a maximum of 3 times in the season.

## Guest Player Positions

Permitted guest players (refer to By-Laws) affiliated to teams in the same division must play at least 2 places out of position from their registered position with the League (*the registered position appears on the Players' List which is sent to the team contacts each time it is updated*). A player cannot guest for a team in a lower division. Two places out of position is as follows:

**GK** can play WD/C/WA/GA

**GD** can play C/WA/GA/GS

**WD** can play WA/GA/GS/GK

**C** can play GA/GS/GK/GD

**WA** can play GS/GK/GD/WD

**GA** can play GK/GD/WD/C

**GS** can play GD/WD/C/WA

## Player of the match

Umpires should ask each team to nominate the opposing team's player of the match. Only one player of the match per team may be nominated. Indicate on the card whether or not the player is under 18. **Guest players cannot be chosen as the player of the match. If a Guest player is listed, no player of the match will be recorded for that team.**

## Handing in your scorecard

All scorecards must be posted in the scorecard box by 1:30pm. If this is not possible, please email a picture of both sides of the scorecard to the committee ([whnetball@gmail.com](mailto:whnetball@gmail.com)). Put your scorecard in the box at the next available opportunity and within 28 days of the game to avoid being penalised.

These guidelines should be read in conjunction with the WHNL bylaws. If you have any questions, please email [whnetball@gmail.com](mailto:whnetball@gmail.com) for the attention of the Fixtures Secretary.
